

The College of Surgeons of Hong Kong

UROLOGY BOARD

Log Book Summary

(Remarks: Programme Directors of respective Specialty Boards will conduct random check of the trainee's Logbook Summary and Logbook Summary Report against the operation data from the Hospital Authority. The College reserves to take appropriate action should any untrue reporting of data was found.)

FROM / / TO / / (dd/mm/yyyy)

Major Procedures	Surgical access if applicable			Surgeon Mentor Scrubbed	Surgeon Mentor in Theatre	Surgeon Mentor Available	Assist Surgery	Total
	Open	Lap.	Robotic					
RENAL/URETERAL								
Nephrectomy - partial								
Nephrectomy - total								
Nephroureterectomy								
Nephrolithotomy								
Ureterolithotomy								
Ureteral segmental resection								
Others (specify)								
BLADDER								
Transurethral resection of bladder tumor (TURBT)								
Cystectomy - partial								
Cystectomy - total								
Cystolithotomy								
Urethrectomy								
Others (specify)								
PROSTATIC								
Transurethral resection of prostate (TURP)								
Transurethral bladder neck incision (TUBNI)								
Transurethral enucleation of prostate (TUEP)								
Vaporization/enucleation of prostate - Laser								
Prostatectomy - Millin's/suprapubic								
Prostatectomy - radical								
Prostatic stent insertion								
Others (specify)								

Major Procedures	Surgical access if applicable			Surgeon Mentor Scrubbed	Surgeon Mentor in Theatre	Surgeon Mentor Available	Assist Surgery	Total
	Open	Lap.	Robotic					
ENDOUROLOGICAL								
Percutaneous nephrostomy (PCN)								
Percutaneous nephrolithotripsy (PCNL)								
Percutaneous endopyelotomy								
Ureterorenoscopy (URS)								
Ureterorenoscopic lithotripsy (URSL)								
Flexible ureterorenoscopy								
Flexible ureterorenoscopic lithotripsy								
Ureterorenoscopic pyelotomy / ureterotomy								
Cystolithotripsy/cystolitholapaxy								
Others (specify)								
PAEDIATRIC UROLOGY								
Pyeloplasty								
Nephrectomy – partial								
Nephrectomy – total								
Subureteral injection of Deflux								
Ureteral reimplantation								
Cystoplasty								
Hypospadias repair								
Orchidopexy								
Others (specify)								
DIALYSIS ACCESS / TRANSPLANT								
Insertion of Tenckhoff catheter								
Repositioning of malfunctioned Tenckhoff								
Arterio-venous fistula / graft								
Cadaveric donor nephrectomy								
Live donor nephrectomy								
Cadaveric renal transplant								
Live donor renal transplant								
Graft nephrectomy								
Others (specify)								

Intermediate / Minor Procedures	Surgeon Mentor Scrubbed	Surgeon Mentor in Theatre	Surgeon Mentor Available	Assist Surgery	Total
Circumcision					
Vasectomy					
Exploration of testis +/- fixation for torsion					
Hydrocelectomy / Jaboulay's Procedure					
Others (specify)					

Investigative Procedures	Mentor Supervising	Mentor Available	Assist Procedure
Rigid urethrocystoscopy			
Flexible urethrocystoscopy			
Urodynamic study (with trainee in presence)			
Transrectal ultrasonography			
Transrectal ultrasound-guided prostate biopsy			
Transperineal ultrasound-guided prostate biopsy			
Magnetic resonance/ ultrasonography fusion targeted prostate biopsy			
Others (specify)			

I declare that the information in this logbook summary report is true and correct.
